

# MOMENTOLGY

## BIO

Momentology is the diverse electronic music project of producer/DJ and multi-instrumentalist Patrick Kiebzak, synergizing rich layers of organic soundscapes with the deep bass elements of dance music, live instrumentation, vibrational healing frequencies, and indigenous wisdom. Momentology has performed at music, art, yoga, flow arts, & transformational festivals & events around the USA. Patrick features a plethora of lyricists and musicians, collaborating both on stage and in the studio.
